|This is the 21st Century...Magic isn't dead|

Tabbed by Thomas Ward  
Intro:

Come to bed, come to bed ->

|A wise man once said....Now where is the wisdom in that? - |

The Next bit??????? If you know, add it on!

I came just as fast as i could through  
the dirty air of your neighbourhood

|This is the 21st Century...And he just bought the world|

Your name on a grain of rice hanging  
around my neck, and a head like lead

Would you want...The world is me - Play the great solo over it.

|This is the 21st century....I heard everything they said  
(2nd)|

We lay on a velvet rug by the open fire  
she blew air on my eyelids

Now at around 9:15mins

I cried "What's it all about?"  
as she kissed my hair,  
she said there there.

THE END!
