

# Marilyn Manson - Broken Needle

tom:

Intro: Am Am7 Am  
Am Am7 Am

[Primeira Parte]

So close your eyes

When you wake up

Rinse off all this pain

And your?makeup

Stare?into the mirror

Apples?are always something to fear

[Pré-Refrão]

Are you?alright?

'Cause I'm not okay

All of these lies

Are not worth fighting?for

Are you?alright?

'Cause I'm not okay

All of these lies

Are not worth fighting?for

( F G Am )

[Refrão]

I am a needle

Dig in your grooves

Scratch you up

Then I'll put you away

I am a needle

Dig in your grooves

Scratch you up

Then I'll put you away

( Am7 Am Am7 Am )

[Segunda Parte]

It won't be death

But a deep sleep

A curse of a hundred years

The princess will fall (The princess will fall)

The princess will fall

The princess will fall into a slumber for a century

[Pré-Refrão]

Are you?alright?

'Cause I'm not okay

All of these lies

Are not worth fighting?for

Are you?alright?

'Cause I'm not okay

All of these lies

Are not worth fighting?for

(Not worth fighting for)

(Fighting for)

(Fighting for)

[Refrão]

I am a needle

Dig in your grooves

Scratch you up

Then I'll put you away

I am a needle

Dig in your grooves

Scratch you up

Then I'll put you away

( Am7 Am Am7 )

( Am Am7 Am )

I'll never ever play you again

I'll never ever play you again

I'll never ever play you again

I'll never ever play you again

Then I'll put you away

I'll never ever play you again

Then I'll put you away

I'll never ever play you again

Then I'll put you away

I'll never ever play you again

Then I'll put you away

I'll never ever play you again

Then I'll put you away

I'll never ever play you again

Then I'll put you away

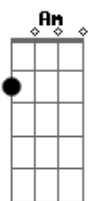

I'll never ever play you again

I'll never ever play you again
