[ Letra ]

I can tell you what they say in space  
 That our earth is too grey  
 But when the spirit is so digital  
 The body acts this way

That world was killing me  
 That world was killing me  
 Disassociative

The nervous systems down  
 The nervous systems down  
 I know

The nervous systems down  
 The nervous systems down

I know

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space

Sometimes we walk like we were shot  
 Through our heads, my love  
 We write a song in space like  
 We are already dead and gone

Your world was killing me  
 Your world was killing me  
 Disassociative

Your world was killing me  
 Your world was killing me  
 Disassociative

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space

The nervous systems down  
 The nervous systems down  
 The nervous systems down  
 The nervous systems down

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space

I can never get out of here  
 I don't want to just float in fear  
 A dead astronaut in space
