[VERSES]  
RIFF 2

[SOLO 1]

My bag is in the hat  
It's filled with this and that  
My vision's getting fat  
the rabbits just a monkey in disguise  
stars and pills and needles dance before our eyes  
They will bite the hand  
If it's slower than  
the quickness of their scrutinizing eyes

RIFF 2

[VERSES] ONLY BASS

[SOLO 3]

I peek into the hole  
I struggle for control  
the children love the show  
but they fail to see the anguish in my eyes  
fail to see the anguish in my eyes

[CHORUS]  
RIFF 1

[SOLO 2]

Fail to see the tragic  
Turn it into magic

[VERSES 2]  
RIFF 2

[BRIDGE]

I scratch around the brim  
I let my mind give in  
The crowd begins to grin  
but they seem to scream as darkness fills my eyes  
seem to scream as darkness fills my eyes  
it's no suprise
