

Marilyn Manson - Get Your Gunn

Tom: C

I noticed that Michael Gartley's and Adam Winik's versions of this song are a little different than mine. I tabbed mine off Manson's single- which apperas to sound a little different than the portrait version. I hope this will help you all!
Intro: duction:

Riff:

Acordes

-This is the main riff, and it is played faintly in the back.

Chorus (Power Chords)

:REPEAT

"Get Your Gunn...."lyrics=

REPEAT, then do Power Chords again.

Notation:

/ = slide fingers up the neck

7 = slide from the 7th fret to 1st.
