

Marilyn Manson - Heart-shaped Glasses

Tom: C

Am
 She reminds me of the one in school,
 F E
 when I was gutted she was dressed in white.
 Am
 And I couldn't take my eyes off her,
 F E
 but that's not what I took off that night,
 Am
 She'll never cover up what we did with her dress.
 F E
 No.
 Am
 She said "kiss me it'll heal,

but it won't forget".
 F
 "Kiss me it'll heal,
 E
 but it won't forget".

C D A minor
 I don't mind you keeping me on pins and needles.
 C
 If I could stick to you,
 D E
 and stick me too.

(Am F Em)

Don't break,
 Don't break my heart,
 and I won't break your heart shaped glasses.
 Little girl,
 little girl you should close your eyes,
 that blue is getting me high.
 Making me low.

Hope that's remotely helpful. That's what I heard on HSG
 acoustic version. Of course
 adds a few notes here and there, but with one or two listens
 its easy to get down
