

Marilyn Manson - The last day on earth (live - acoustic)

Tom: G

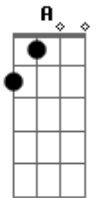

Intro:

Solo

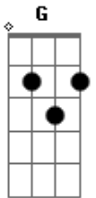

B Am G Em (3x) A C B
 yesterday was a million years ago
 in all my past lives i played an asshole
 now i found you, it's almost too late
 and this earth seems obliterating
 we are trembling in our crutches
 high and dead our skin is glass
 i'm so empty here without you
 i crack my xerox hands...
 B G Em B
 i know it's the last day on earth
 we'll be together while the planet dies
 B G Em A
 i know it's the last day on earth
 we'll never say goodbye
 (Solo) G C G Am G
 the dogs slaughter each other softly
 Am G A
 love burns its casualties

Am G C G
 we are damage provider modules
 Am G A
 spill the seeds at our children's feet
 Am G C G
 i'm so empty here without you
 Am G A
 i know they want me dead...
