

Marina And The Diamonds - Buy The Stars

Tom: C

F G Dm C G Dm
 You bought a star in the sky tonight
 F G Dm C Dm G
 Because your life is dark and it needs some light
 F G Dm C G Dm
 You named it after me, but I'm not yours to keep
 F G Dm C G F
 Because you'll never see, that the stars are free

Am C G F
 Oh we don't own our heavens now
 Am C Em
 We only own our hell
 Am C G F
 And if you don't know that by now
 Am C Em
 Then you don't know me that well

C Dm Am F
 All my life I've been so lonely
 C Dm Am F
 All in the name of being holy
 C Dm Am F
 Still, you'd like to think you know me
 G F Dm
 You keep buying stars
 Am G C Dm
 And you could buy up all of the stars,
 Am G C Dm
 But it wouldn't change who you are
 Am F C Dm
 You're still living life in the dark
 G F Dm
 It's just who you are
 G F Dm
 It's just who you are

F G Dm C G Am
 You bought a star in the sky tonight
 F G Dm
 And in your man-made dark
 C G Dm
 The light inside you died

Am C G F
 Oh we don't own our heavens now
 Am C Em
 We only own our hell
 Am C G F
 And if you don't know that by now
 Am C Em
 Then you don't know me that well

C Dm Am F
 All my life I've been so lonely
 C Dm Am F
 All in the name of being holy
 C Dm Am F
 Still, you'd like to think you know me
 G F Dm
 You keep buying stars
 Am G C Dm
 And you could buy up all of the stars,

Am G C Dm
 But it wouldn't change who you are
 Am F C Dm
 You're still living life in the dark
 G F Dm
 It's just who you are
 G F Dm
 It's just who you are

Am E C E Am E C
 You know only how to own me
 Am E C E Am E C
 You know only how to own me

C F Em Am
 You're buying stars to shut out the light
 C F Em Am
 We come alone and then we die
 C F Em Am
 And no matter how hard you try
 C F Em C
 I'll always belong in the sky
