

# Marina And The Diamonds - Buy The Stars

Tom: C

F G Dm C G Dm  
 You bought a star in the sky tonight  
 F G Dm C Dm G  
 Because your life is dark and it needs some light  
 F G Dm C G Dm  
 You named it after me, but I'm not yours to keep  
 F G Dm C G F  
 Because you'll never see, that the stars are free

Am C G F  
 Oh we don't own our heavens now  
 Am C Em  
 We only own our hell  
 Am C G F  
 And if you don't know that by now  
 Am C Em  
 Then you don't know me that well

C Dm Am F  
 All my life I've been so lonely  
 C Dm Am F  
 All in the name of being holy  
 C Dm Am F  
 Still, you'd like to think you know me  
 G F Dm  
 You keep buying stars  
 Am G C Dm  
 And you could buy up all of the stars,  
 Am G C Dm  
 But it wouldn't change who you are  
 Am F C Dm  
 You're still living life in the dark  
 G F Dm  
 It's just who you are  
 G F Dm  
 It's just who you are

F G Dm C G Am  
 You bought a star in the sky tonight  
 F G Dm  
 And in your man-made dark  
 C G Dm  
 The light inside you died

Am C G F  
 Oh we don't own our heavens now  
 Am C Em  
 We only own our hell  
 Am C G F  
 And if you don't know that by now  
 Am C Em  
 Then you don't know me that well

C Dm Am F  
 All my life I've been so lonely  
 C Dm Am F  
 All in the name of being holy  
 C Dm Am F  
 Still, you'd like to think you know me  
 G F Dm  
 You keep buying stars  
 Am G C Dm  
 And you could buy up all of the stars,

Am G C Dm  
 But it wouldn't change who you are  
 Am F C Dm  
 You're still living life in the dark  
 G F Dm  
 It's just who you are  
 G F Dm  
 It's just who you are

Am E C E Am E C  
 You know only how to own me  
 Am E C E Am E C  
 You know only how to own me

C F Em Am  
 You're buying stars to shut out the light  
 C F Em Am  
 We come alone and then we die  
 C F Em Am  
 And no matter how hard you try  
 C F Em C  
 I'll always belong in the sky
