

Marina And The Diamonds - Can't Pin Me Down

Tom: A

(com acordes na forma de Capostraste na 2ª casa) G)

Chorus (I):
 You can paint me any colour
 And I can be your clown
 But you ain't got my number
 No you can't pin me down
 Yeah you can't pin me down
 Yeah you can't pin me down

Verse I:
 Now I got your back up
 What do you not like
 Do you think I'm stuck up
 Cause I'm always picking fights
 You might think I'm one thing but I am another
 You can't call my bluff
 Time to back of motherfucker

Pre-Chorus:
 Do you really want me to write a feminist anthem
 I'm happy cooking dinner in the kitchen for my husband
 Yeah,
 yeah

Chorus (Variation II):
 You can paint me any color
 And I can be your clown
 But you ain't got my number
 No you can't pin me down
 Yeah you can't pin me down
 Yeah you can't pin me down

Verse II:
 You ain't got me sussed yet
 You're not even close
 Baby it's the one thing
 That I hate the most
 All these contradictions pouring out of me
 Just another girl in the 21st century

Pre-Chorus:

I am never gonna give you anything you expect
 You think I'm like the others but You need to get your eyes checked
 Yeah,
 yeah

Chorus (Variation II):
 You can paint me any color
 And I can be your clown
 But you ain't got my number
 No you can't pin me down
 Yeah you can't pin me down
 Yeah you can't pin me down

Ponte:
 I could be your sister
 I could be your mother
 I could be your neighbour
 I could be your lover
 Do you like my body
 Do you like my mind
 What is it that you are having trouble to define?

Pre-Chorus:
 I am never gonna give you anything you expect
 You think I'm like the others, boy you need to get your eyes checked
 checked

Chorus (II):
 You can paint me any colour
 I can be your russian doll
 But you ain't got my number
 No, you can't make me small
 You can paint me any color
 And I can be your clown
 But you ain't got my number
 No you can't pin me down
 Yeah you can't pin me down
 Yeah you can't pin me down
