

# Marina And The Diamonds - Forget

Tom: F

Dm F C  
Sometimes I think I'm not that strong  
Dm F Bb  
But there's a force that carries me on  
Dm F C  
Sick of my small heart, made of steel  
Dm F Bb  
Sick of those wounds that never heal

Dm C F Bb  
Cause I have lived my life in debt  
Dm C F Bb  
I've spent my days in deep regret  
Dm C F Bb  
Yeah I been living in the red  
Dm C F Bb  
Oh, cause I can't forgive and I can't forget  
G  
...Forget

Gm Dm C

Gm  
Ain't no time for regret  
C  
Yeah, it's time to forget

Dm F C  
Ever since I can remember  
Dm F Bb  
Life was like a tipping scale  
Dm F C  
Like an abacus I played with  
Dm F G  
Counting every win and fail

Dm C F Bb  
Cause I have lived my life in debt  
Dm C F Bb  
I've spent my days in deep regret  
Dm C F Bb  
Yeah I been living in the red  
Dm C F Bb  
Oh, cause I can't forgive and I can't forget

Dm C F  
,Forget  
Gm Dm C  
,forget  
F C Dm  
,forget  
Gm Dm C  
forget

Gm  
Ain't no time for regret  
C  
...Yeah, it's time

Bb  
To be letting go

C  
Oh baby you know  
Dm F  
What I'm talking about  
Bb C  
Got nothing to lose and nothing to prove  
Dm F  
#Oh baby, I'm bowing out  
G Bb  
Out, I'm bowing out

Dm C F Bb  
Yeah, I've been dancing with the devil  
Dm C F Bb  
I love that he pretends to care  
Dm C F Bb  
If I'll ever get to heaven  
Dm C F Bb  
When a million dollars gets you there  
Dm C F Bb  
Oh, all the time that I have wasted  
Dm C F Bb  
Chasing rabbits down a hole  
Dm C F Bb  
When I was born to be the tortoise  
Dm C F Bb  
I was born to walk alone  
Dm C F Bb  
Forget about it  
Dm C F Bb  
Forget about it  
Dm C F Bb  
Forget about it

Dm C F  
,Forget  
Gm Dm C  
,forget  
F C Dm  
,forget  
Gm Dm C  
forget

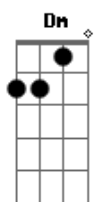

Gm  
Ain't no time for regret

Dm C F Bb  
I'm gonna leave the past behind  
Dm C F Bb  
I've had enough, I'm breaking free  
Dm C F Bb  
No pressing stop, erase, rewind  
Dm C F Bb  
That chain of thought that followed me  
Dm C F Bb  
I've put my money where my mouth is  
Dm C F Bb  
For the first time in my life  
Dm C F Bb  
I've made mistakes but I believe that  
Dm C F Bb  
Everything was worth the fight  
Dm C F Bb  
Cause in the end, the road is long  
Dm C F Bb  
But only cause it makes you strong  
Dm C F Bb  
It's filled with peaks & twists & turns  
Dm C F Bb Dm  
Sometimes you have to learn to forget about it
