

Marina And The Diamonds - Forget

Tom: F

Sometimes I think I'm not that strong
 But there's a force that carries me on
 Sick of my small heart, made of steel
 Sick of those wounds that never heal
 Cause I have lived my life in debt
 I've spent my days in deep regret
 Yeah I been living in the red
 Oh, cause I can't forgive and I can't forget
 ...Forget

,Forget
 ,forget
 ,forget
 forget
 Ain't no time for regret
 Yeah, it's time to forget

Ever since I can remember
 Life was like a tipping scale
 Like an abacus I played with
 Counting every win and fail

Cause I have lived my life in debt
 I've spent my days in deep regret
 Yeah I been living in the red
 Oh, cause I can't forgive and I can't forget

,Forget
 ,forget
 ,forget
 forget
 Ain't no time for regret
 ...Yeah, it's time

To be letting go

Oh baby you know
 What I'm talking about
 Got nothing to lose and nothing to prove
 #Oh baby, I'm bowing out
 Out, I'm bowing out

Yeah, I've been dancing with the devil
 I love that he pretends to care
 If I'll ever get to heaven
 When a million dollars gets you there
 Oh, all the time that I have wasted
 Chasing rabbits down a hole
 When I was born to be the tortoise
 I was born to walk alone
 Forget about it
 Forget about it
 Forget about it

,Forget
 ,forget
 ,forget
 forget
 Ain't no time for regret

I'm gonna leave the past behind
 I've had enough, I'm breaking free
 No pressing stop, erase, rewind
 That chain of thought that followed me
 I've put my money where my mouth is
 For the first time in my life
 I've made mistakes but I believe that
 Everything was worth the fight
 Cause in the end, the road is long
 But only cause it makes you strong
 It's filled with peaks & twists & turns
 Sometimes you have to learn to forget about it
