

Marina And The Diamonds - Guilty

Tom: Bb

Bb **A** **Gm**
 I was dreaming something dark, hiding body parts
Bb **A** **Gm**
 A broken dog, a broken leg, I left it cold, I left it dead
Bb **A** **Gm**
 Oh I'm a guilty one and I know what I have done
Bb **A** **Gm**
 Yeah, I'm a troubled one and I won't be forgiven

Eb **F** **Gm** **Bb**
 Guilty on the run and I know what I have done
Eb **F** **Gm** **Bb**
 Guilty on the run and I'm never forgiven

 I was just a kid that you could not forgive
Gm **Bb**
 Because it's harder
Eb **F**
 I was just a kid and all I really wanted
Gm **Bb**
 Was my father

Bb **A** **Gm**
 Killed a dog so smart and rare, touched his techni-coloured
 hair
Bb **A** **Gm**
 I left it bruised and black and lame, I left it running full
 of shame
Bb **A** **Gm**
 Oh I'm a guilty one and I know what I have done
Bb **A** **Gm**
 Yeah, I'm a troubled one and I won't be forgiven

Eb **F** **Gm** **Bb**
 Guilty on the run and I know what I have done

Eb **F** **Gm** **Bb**
 Guilty on the run and I'm never forgiven

Eb **F**
 I was just a kid that you could not forgive
Gm **Bb**
 Because it's harder

 Was my father

D **Am** **Ab** **F**
 Spent years singing to forget, (to forget)
D **Am** **Ab**
 I've spent years singing "no regret"
D **Am** **Ab** **Cm**
 Then suddenly it all becomes clear
D **Am** **Ab**
 I've been sorry all these years

Eb **F**
 I was just a kid that you could not forgive
Gm **Bb**
 Because it's harder
Eb **F**
 I was just a kid and all I really wanted
Gm **Bb**
 Was my father

Eb **F** **Gm** **Bb**
 Guilty on the run and I know what I have done
Eb **F** **Gm** **Bb**
 Guilty on the run and I'm never forgiven
Eb **F** **Gm** **Bb**
 Guilty on the run and I know what I have done
