

Marina And The Diamonds - Happy Loner

tom:

Gm

Waking up late, I feel demotivated
 Everything's wrong, guess my thoughts escalated
 When I'm alone, things are under control
 When I'm alone, I can turn off the world

I try to escape, but I can't lose my mind
 That's why I can't live a conventional life

'Cause I'm happy being a loner
 Happy being a loner
 I'm sick of it all, I wanna give it up
 But I'm on the edge
 And I feel like everything's too much, too much, hmm
 Too much, too much, hmm

They don't understand, why I like being alone
 I don't wanna be so accessible
 Emotionally I'm on the edge of a knife
 That's how I learn, that's how I learn to survive

If I'm alone then you'll never find
 The truth about me that I'm losing my mind
 And it's too hard to pretend

So I stay away from my friends
 'Cause I'm happy being a loner
 Happy being a loner
 I'm sick of it all, I wanna give it up
 But I'm on the edge
 And I feel like everything's too much, too much, hmm
 Too much, too much, hmm
 I pick up on everybody's energy
 Always used to feel like there was
 Something wrong with me
 Wrong with me
 When the world is overwhelming, I need to breathe
 'Cause I'm happy being a loner
 Happy being a loner
 I'm sick of it all, I wanna give it up
 But I'm on the edge
 And I feel like everything's too much, too much, hmm
 Too much, too much, hmm
 Too much, too much, hmm
 Too much, too much, hmm
