

Marina And The Diamonds - Hermit The Frog

Tom: F

Gm Dm Bb
Yeah I feel I'm watered down
A Dm F
Whenever he's around
Gm Dm Bb
I put on the clown of clowns
Gm A Dm
And melt slowly to the ground

Gm Dm Bb
Yeah I feel it coming on
Gm A Dm
When I've been static for too long
Gm Dm Bb
And an explosion comes in time
F A Dm
Before I go and cross the line

F A Dm
They say you used to be so kind
F A Dm
I never knew you had such a dirty mind
C Bb Dm
Well, I went to the doctors believing
C Bb Dm
The devil had control over me
C Bb Dm
I was finding it hard to breath and
C C C
Finding it hard to fight the feeling

G Dm F C
That my heart just burst like a glass balloon
G Dm F C
And that it fly too high and shattered too soon
G Dm F C
I was the wrong damn girl in the wrong damn room
F A Dm
I broke my glass balloon
F A Dm

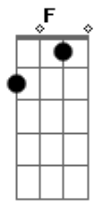

I let go of my glass balloon

Oh oh oh
Gm Dm Bb
They call him Hermit the Frog
Gm A Dm
He's looking for a dog
Gm Dm Bb
Did you find a bitch in me
F A Dm
Oh you're a abominable socially
F A Dm
You're just a little bit too much like me

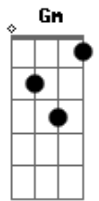

F A Dm
Says you used to be so kind
F A Dm
Well baby I give you your dirty mind
C Bb Dm
I wanna tell you a secret
C Bb Dm
You can take your double standard love and keep it
C Bb Dm
I can't help the devil likes to make my heart a double bed
C C C
I can't help he sometimes like to come and rest his little head

G Dm F C
Well my heart just burst like a glass baloon
G Dm F C
We let them fly too high and they shattered too soon
G Dm F C
They'll be the wrong damn people in the wrong damn room
F A Dm
We broke our glass balloons
F A Dm
We let go of their glass balloons
F A Dm
We broke our glass balloons
F A Dm
Let go of my glass balloon
