

Marina And The Diamonds - I Love You But I Love Me More

tom:

Am
[Refrão]

Am **E**
I love you but I love me more
G **D**
Don't come back knocking at my door
Am **E**
You've had your chance and now you want more
G **D**
You say you'll ch-change, you say you'll transform

[Segunda Parte]

Am **E**
Do you expect me to believe that you've changed
F **C**
When I can tell that you're exactly the same?
Am **E**
You'd rather shut your eyes than feel any pain
F **C**
Told myself I can't go back ever again (Oh-oh-oh-oh)

[Pré-Refrão]

F **C**
You try to tell me that we're so deep in love
G **Am**
Well if we were, then why did we fuck it up? (Oh-oh-oh-oh)
F **C**
Told you before that love isn't enough
G **Am**
Come on baby, I can call your bluff

[Refrão]

Am **E**
I love you but I love me more
G **D**
Don't come back knocking at my door
Am **E**
You've had your chance and now you want more
G **D**
You say you'll ch-change, you say you'll transform

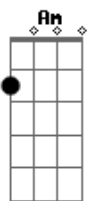

[Segunda Parte]

Am **E**
How can I trust you after what I've been through?
F **C**
You only care about me when it suits you
Am **E**
Women love too early and men love too late
F **C**
And now your promises, they just suffocate (Oh-oh-oh-oh)

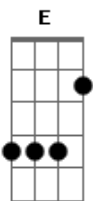

[Pré-Refrão]

F **C**
You try to tell me that we're so deep in love
