                 Cm
I wanna be immortal
   Ab
                 Cm
Like a god in the sky
I wanna be a silk flower
   Fm
Like I'm never gonna die
                                                      Refrão:
 Fm Cm
I wanna live forever
       Cm
Ab
Forever in your heart
         Ab
                      Fb
And we'll always be together
        Fm
              Bb
From the end to the start
Pré-Refrão:
Fm
That's what we do it for
Cm
To reserve a place
                  Cm
Ab
It's just another part of the human race
That's what we do it for
Cm
To reserve a space
Ab
In history it's just
                                                      Middle 8
Cm
           Fm
Part of the human race
                                                          Ab
     Cm Ab
                     Cm
Race, race, race, race
Refrão:
                                                        Ab

                                                         Bb
I'm forever chasing after time
Ab Cm
But everybody dies, dies
                        Cm
              Fm
If I could buy forever at a price
                                                      Refrão:
              Ab Cm
I would buy it twice, twice
  Fm
                 Cm
But if the earth ends in fire
       Gm
And the seas are frozen in time
       Fm
              Cm
There'll be just one survivor
                                    Em Cm
     Ab
            Cm
The memory that I was yours and you were mine
        Ab Cm Fm Cm
Everybody dies
             Δh
                 Cm
Chasing after time
Verso 2:
Fm
                 Cm
When you love somebody
    Ab
That always leave too soon
    Ab
                  Eb
But a memory, a memory
   Fm
                Bb
Can make a flower bloom
  Fm
                 Cm
We wanna be remembered
   Ab
                Cm
Don't wanna live in vein
  Ab
                 Eb
But nothing lasts forever
    Fm
