

# Marina And The Diamonds - Obsessions

Tom: C

<sup>F</sup> Sunday, <sup>G</sup> wake up, give me a <sup>Am</sup> cigarette  
 Last night's love affair is looking vulnerable in my bed  
 Silk sheet, blue dawn, Colgate, tongue warm  
<sup>Em</sup> Won't you quit your crying? I can't sleep  
<sup>Em</sup> One minute I'm a little sweetheart  
 And next minute you are an absolute creep  
 We've got obsessions  
 I want to wipe out all the sad ideas  
<sup>F</sup> That come to me when I am holding you  
 We've got obsessions  
 All you ever think about are sick ideas  
<sup>F</sup> Involving me, involving you  
<sup>F</sup> Supermarket, oh what packet of crackers to pick?  
<sup>G</sup> They're all the same, one brand, one name  
 but really they're not  
 Look, look, just choose something quick  
 People are staring, time to go quick in  
 Skin is on fire; just choose something, something, something  
<sup>F</sup> Pressure overwhelming  
 Next minute I am turning out of the door, facing one week  
 without  
<sup>F</sup> food

<sup>Am</sup> A day, a day when things, things are pretty bad  
<sup>G</sup> Don't let it make you feel sad,  
<sup>F</sup> The crackers were probably bad luck anyway  
 Can't let your cold heart be free  
<sup>G</sup> When you act like you've got an OCD  
 We've got obsessions  
 I wanna erase every nasty thoughts  
<sup>F</sup> That bugs me every day of every week  
 We've got obsessions  
<sup>G</sup> You never told me what it was that made you strong  
<sup>F</sup> And what it was that made you weak  
 ( <sup>F</sup> <sup>Am</sup> <sup>G</sup> <sup>F</sup> ) 3x  
<sup>Am</sup> We've got obsessions  
<sup>G</sup> I wanna erase every nasty thoughts  
<sup>F</sup> That bugs me every day of every week  
 We've got obsessions  
<sup>G</sup> You never told me what it was that made you strong  
 And what it was that made you weak  
<sup>C</sup> <sup>E</sup> <sup>F</sup> <sup>F</sup> <sup>Am</sup> <sup>G</sup> <sup>F</sup>  
<sup>C</sup> <sup>Am</sup> <sup>E</sup> <sup>F</sup>  
<sup>C</sup> <sup>Am</sup> <sup>E</sup> <sup>F</sup>  
<sup>F</sup> Made you weak, made you weak, made you weak  
<sup>F</sup> Made you  
<sup>F</sup> Sunday, wake up, give me a cigarette  
<sup>G</sup> Last night's love affair is looking vulnerable again
