Tom: C
                                                              best
Dm C G G G G Don't do love, don't do friends Dm C G G G G I'm only after success
                                                              If you are not very careful
                                                                   G G
                                                              Your possessions will possess you
          C G G G
Don't need a relationship
                                                              TV taught me how to feel
Dm C G G G G I'll never soften my grip
                                                              G G G
Now real life has no appeal
                                                              BRIDGE:
Don't want cash, don't want car
                                                              It has no appeal; It has no appeal;
G G G
Want it fast, want it hard
Dm C
Don't need money, don't need fame
                                                              It has no appeal; It has no appeal;
                                                              It has no ap - peal!
    GG
I just want to make a change
                                                              CHORUS: (2x)
                                                                I know exactly what I want and who I want to be
            Α
I just wanna change; I just wanna change;
                                                                                     G
        Dm
                                                               I know exactly why I walk and talk like a machine
I just wanna change; I just wanna change;
I just wanna - change!
                                                              Oh, oh no, oh no, oh no
CHORUS:
                                                                E F C I'm gonna live, I'm gonna fly,
 I know exactly what I want and who I want to be
                                                                               , I'm gonna die,
                                                                I'm gonna fail,
                      G
 I know exactly why I walk and talk like a machine
                                                                I'm gonna live, I'm gonna fly
                                                                                      (E)
Oh, oh no, oh no, oh no
                                                                I'm gonna fail, gonna die, die, die
VERSE:
                                                              CHORUS: (3x)
                                                                                     G
One track mind, one track heart
                                                                I know exactly what I want and who I want to be

                                                                                G
If I fail, I'll fall apart
                                                                I know exactly why I walk and talk like a machine
          G G G
Maybe it is all a test
                                                        G G Oh, oh no, oh no, oh no
Cause I feel like I'm the worst so I always act like I'm the
