I can see the flowers and the greenery

E

I take a breath of air, I feel free

Gb

Spent so long, was busy chasing happiness

F

When all I needed was a little peace

E

Try to get back to what we need

Gb

(Oh yeah, yeah, yeah)

Living like we're supposed to be

E

Flowers in my hair, I belong by the sea

E

Where we used to be, sitting by the orange trees

E

Summer in the air, bodies in the heat

E

Just you and me, sitting by the orange trees
