

# Marina And The Diamonds - Orange Trees

tom:

E

Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange

I can see the flowers and the greenery  
 I take a breath of air, I feel free  
 Spent so long, was busy chasing happiness  
 When all I needed was a little peace

Try to get back to what we need  
 (Oh yeah, yeah, yeah)

Living like we're supposed to be

Flowers in my hair, I belong by the sea  
 Where we used to be, sitting by the orange trees  
 Summer in the air, bodies in the heat  
 Just you and me, sitting by the orange trees

Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange

So far away, from neon lights and city streets  
 This is where I used to dream  
 Been around the world, but I could never replicate

The feeling that I get beneath my feet

Try to get back to what we need  
 (Oh yeah, yeah, yeah)

Living like we're supposed to be

Flowers in my hair, I belong by the sea  
 Where we used to be, sitting by the orange trees  
 Summer in the air, bodies in the heat  
 Just you and me, sitting by the orange trees

Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange

Watch the sun go down into the sea  
 Wrap your love around me-e-e  
 Life is beautiful and now you see  
 This is how it feels to be free

Flowers in my hair, I belong by the sea  
 Where we used to be, sitting by the orange trees  
 Summer in the air, bodies in the heat  
 Just you and me, sitting by the orange trees

Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange  
 Oh-oh-oh-orange

## Acordes
