Doesn't mean you know my game  
Am C G  
I look myself in the face  
C F  
And whisper "I'm in the wrong place"  
Am C F  
Is there more to lose than gain  
E  
If I go on my own again?

Am  
(On my own again)

Inside the outsider (on my own again)  
G Am  
Inside the outsider (on my own again)  
G Am

People are connecting  
D Am  
Don't know what to say  
C F  
I'm good at protecting  
D E  
What they want to take  
  
Am F  
Spilled the milk at breakfast  
D Am  
Hit me double hard  
C F  
And I grinned at you softly  
D E  
'Cause I'm a fucking wild card

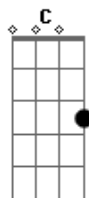

(Chorus)

(Bridge)
