

Marina And The Diamonds - Outsider

Tom: C

Feeling like a loser
 Feeling like a bum
 Sitting on the outside
 Observing the fun
 Don't get on my bad side
 I can work a gun
 Hop into the backseat baby
 I'll show you some fun

(Chorus)

These people are weird in here
 And they're giving me the fear
 Just because you know my name
 Doesn't mean you know my game
 I look myself in the face
 And whisper "I'm in the wrong place"
 Is there more to lose than gain
 If I go on my own again?

(On my own again)
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside...

Am F

People are connecting
 Don't know what to say
 I'm good at protecting
 What they want to take
 Spilled the milk at breakfast
 Hit me double hard
 And I grinned at you softly
 'Cause I'm a fucking wild card

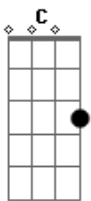

(Chorus)

(Bridge)

Ooh... ooh ooh ooh... oooh
 Aah... aah aah aah... aah

All I know is I cannot pretend
 So I'm sitting on the outside again
 On my own again
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside (again)
 On my own again
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside the outsider (on my own again)
 Inside (again)...
