

# Marina And The Diamonds - Outsider

Tom: C

Feeling like a loser  
 Feeling like a bum  
 Sitting on the outside  
 Observing the fun  
 Don't get on my bad side  
 I can work a gun  
 Hop into the backseat baby  
 I'll show you some fun

(Chorus)

These people are weird in here  
 And they're giving me the fear  
 Just because you know my name  
 Doesn't mean you know my game  
 I look myself in the face  
 And whisper "I'm in the wrong place"  
 Is there more to lose than gain  
 If I go on my own again?

(On my own again)  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside...  
 Inside (again)...

People are connecting  
 Don't know what to say  
 I'm good at protecting  
 What they want to take  
 Spilled the milk at breakfast  
 Hit me double hard  
 And I grinned at you softly  
 'Cause I'm a fucking wild card

(Chorus)

(Bridge)

Ooh... ooh ooh ooh... ooh  
 Aah... aah aah aah... aah

All I know is I cannot pretend  
 So I'm sitting on the outside again  
 On my own again  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside (again)  
 On my own again  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside the outsider (on my own again)  
 Inside (again)...
