

# Marina And The Diamonds - Radioactive

Tom: G

Lying on a fake beach  
You'll never get a tan  
Baby, I'm gonna leave you drowning  
Until you reach for my hand  
In the night your heart is full  
And by the morning empty  
But baby, I'm the one who left you  
You're not the one who left me  
When you're around me I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive  
My heart is nuclear  
Love is all that I fear  
Ready to be let down  
I'm turning radioactive  
My blood is radioactive  
Waiting for the nightfall  
For my heart to light up  
Oh baby, I want you to die for  
For you to die for my love

In the night your heart is full  
And by the morning empty  
But baby, I'm the one who left you  
You're not the one who left me  
When you're around me I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive  
My heart is nuclear  
Love is all that I fear  
Ready to be let down  
And now I'm heading for a meltdown  
Tonight I feel like neon gold  
I take one look at you and I grow cold  
When you're around me I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive  
My heart is nuclear  
Love is all that I fear  
Ready to be let down  
And now I'm heading for a meltdown  
And now I'm heading for a meltdown
