

# Marina And The Diamonds - Radioactive

Tom: G

Lying on a fake beach  
 You'll never get a tan  
 Baby, I'm gonna leave you drowning  
 Until you reach for my hand

In the night your heart is full  
 And by the morning empty  
 But baby, I'm the one who left you  
 You're not the one who left me

When you're around me I'm radioactive  
 My blood is burning, radioactive  
 I'm turning radioactive  
 My blood is radioactive

My heart is nuclear  
 Love is all that I fear  
 Ready to be let down  
 I'm turning radioactive  
 My blood is radioactive

Waiting for the nightfall  
 For my heart to light up  
 Oh baby, I want you to die for  
 For you to die for my love

In the night your heart is full  
 And by the morning empty  
 But baby, I'm the one who left you  
 You're not the one who left me  
 When you're around me I'm radioactive  
 My blood is burning, radioactive  
 I'm turning radioactive  
 My blood is radioactive

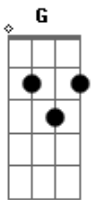

My heart is nuclear  
 Love is all that I fear  
 Ready to be let down  
 And now I'm heading for a meltdown

Tonight I feel like neon gold  
 I take one look at you and I grow cold

When you're around me I'm radioactive  
 My blood is burning, radioactive  
 I'm turning radioactive  
 My blood is radioactive

My heart is nuclear  
 Love is all that I fear  
 Ready to be let down  
 And now I'm heading for a meltdown  
 And now I'm heading for a meltdown
