

Marina And The Diamonds - Radioactive

Tom: G

Lying on a fake beach
 You'll never get a tan
 Baby, I'm gonna leave you drowning
 Until you reach for my hand

In the night your heart is full
 And by the morning empty
 But baby, I'm the one who left you
 You're not the one who left me

When you're around me I'm radioactive
 My blood is burning, radioactive
 I'm turning radioactive
 My blood is radioactive

My heart is nuclear
 Love is all that I fear
 Ready to be let down
 I'm turning radioactive
 My blood is radioactive

Waiting for the nightfall
 For my heart to light up
 Oh baby, I want you to die for
 For you to die for my love

In the night your heart is full
 And by the morning empty
 But baby, I'm the one who left you
 You're not the one who left me
 When you're around me I'm radioactive
 My blood is burning, radioactive
 I'm turning radioactive
 My blood is radioactive

My heart is nuclear
 Love is all that I fear
 Ready to be let down
 And now I'm heading for a meltdown

Tonight I feel like neon gold
 I take one look at you and I grow cold

When you're around me I'm radioactive
 My blood is burning, radioactive
 I'm turning radioactive
 My blood is radioactive

My heart is nuclear
 Love is all that I fear
 Ready to be let down
 And now I'm heading for a meltdown
 And now I'm heading for a meltdown
