

# Marina And The Diamonds - To Be Human

Tom: G

## [Primeira Parte]

The pagodas and the palaces  
Dressed in gold leaf hide the damages  
Spot the Geisha as she balances  
Life's a cakewalk, full of challenges  
Go to Russia, see the Red Square  
Lenin's body lying dead there  
From Kyoto, Hiroshima  
Watch the black cloud crawling nearer

## [Pré-Refrão]

There were riots in America  
Just when things were getting better  
All the things I've done and seen  
Still I don't know what life means

## [Refrão]

All the people living in, living in the world today  
We're united by our love, we're united by our pain (Ooh)  
All the things that I've done and I've seen  
Still, I don't know, don't know what it means

## [Segunda Parte]

Fly to Athens, pass the Parthenon  
See the village where my father's from  
To Chicago from Angola  
São Paulo to Verona

## [Pré-Refrão]

And anywhere you go, you'll see (Ooh)  
People are just like you and me (Ooh)  
All the things I've done and seen  
Still, I don't know what life means

## [Refrão]

All the people living in, living in the world today  
We're united by our love, we're united by our pain (Ooh)  
All the things that I've done and I've seen  
Still, I don't know, don't know what it means  
To be human  
(Oh-oh-oh-oh-oh, oh-oh, oh-oh)  
(Oh, oh-oh-oh-oh-oh, oh-oh, oh-oh)  
Still, I don't know, don't know what it means  
To be human, a real human being

## [Ponte]

I like to think about how we all look from afar  
People driving fancy cars look like beetles to the stars  
The missiles and the bombs sound like symphonies gone wrong  
And if there is a God, they'll know why it's so hard

## [Refrão]

To be human  
(Oh-oh-oh-oh-oh, oh-oh, oh-oh)  
(Oh, oh-oh-oh-oh-oh, oh-oh)  
To be hu  
Still, I don't know, don't know what it means  
To be human, a real human being

(To be human)I want connection, ooh  
I wanna feel human again  
(To be human)lost my direction, ooh  
I wanna feel human again  
To be human  
To be human  
To be human  
To be human  
To be human
