tom:
Intro: Am A D F
Whatever you give life you will get back
Why be a wallflower when you can be a Venus fly trap?

[Primeira Parte]

I never quite fit in
To that Hollywood thing (Ah)
I didn't play that game
For the money or the fame (Oh)

[Pré-Refrão]

I did it my way, baby
Nothing in this world could change me

[Refrão]

Don't underestimate me
'Cause one day you're gonna see you're in a losing battle
Babe you'll never stop me being me
I got the beauty, got the brains
Got the power, hold the reins
I should be motherfucking crazy
Nothing in this world could change me

[Segunda Parte]

I sacrificed it all for a life to call mine
All the love and security
To be myself, oh I
I know that money ain't important (Ah)
And it don't mean you're the best (Oh)
But I earned it all myself
And I'm a millionairess

[Pré-Refrão]

Am F D
Acordes

I did it my way, baby
Nothing in this world could change me

[Refrão]

Don't underestimate me
'Cause one day you're gonna see you're in a losing battle

Got the power, hold the reins

Nothing in this world could change me

[Ponte]

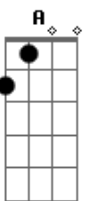

They'll shame you, blame you
Pretend to even hate you
Take away your rights
Pacify you with their lies

You are gonna get back
Why be a wallflower
When you can be a Venus fly trap?

[Refrão]

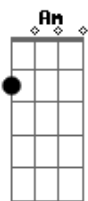

Don't underestimate me
'Cause one day you're gonna see you're in a losing battle
Babe you'll never stop me being me
Cause whatever you give life
You are gonna get back
Why be a wallflower
When you can be a Venus fly trap?

Nothing in this world, oh
Nothing in this world could change me
