

Marina Elali - Lost Inside Your Heart

Tom: A

(intro) A E D Bm Dbm A E

(Secada)

I'm lost inside your heart
 But you couldn't even find me
 Where you hardly ever go
 That's what I've come to know
 I'm lost inside your heart

(Elali)

I'm lost inside your heart
 I'm sheltered by a feeling
 And what no one else can see
 That's what you gave to me
 I'm lost inside your heart

And here,
 I'll stay until forever said and done
 My dream came true the day I met you
 (You're everything to me)
 Our love is all that I believe in
 No matter where you are
 Oh no
 Close your eyes
 And I'll be there somewhere

Lost inside your heart

Nothing else matters my love
 I dont care, don't you worry about tomorrow
 When it gets dark
 I'll follow your star
 Follow your star
 (B E)
 Na na na na na na
 Na na na na na
 Our love is all that I believe in
 And here
 I'll stay until forever said and done
 I'll stay, babe
 My dream came true the day I met you
 (You're everything to me)
 Our love is all that I believe in
 No matter where you are
 Close your eyes
 And I'll be there somewhere
 Lost inside your heart
