

Mário Acioli - Uma Flor Eterna

tom:

Intro: Eb Gb Dbm
Gb B7 E

O que os olhos não veem o coração não sente
Como a beleza de uma flor que desabrocha ao
Amanhecer
E libera seu cheiro me fazendo sentir, a
Pureza do amor que invade o meu ser

É assim que eu me sinto por você mamãe

A flor mais Bela que me impulsiona a viver
Com seu cheiro suave que exala a cada manhã
Me traz a paz me faz repousar

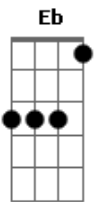

(Eb Gb Dbm)
(Gbm B7 E)

Me alegre em lembrar dos momentos tão belos
Que um dia vivi contigo mamãe
Jamais me esquecerei de tudo o que passou
No meu Jardim uma eterna flor brotou
