

Mario Sergio - Na Flor da Primavera

tom:

D

D D7 Dm D

Me perfumei na flor da primavera

Perfume de amor é tudo

Me apaixonei depois de longa espera

E me senti o imperador do mundo

Te magoei, errei, pura vaidade

Maus passos que andei perdido!

E só hoje eu sei que existe a tal felicidade

Existe sim, mas quando estou contigo

E só hoje eu sei que existe a tal felicidade

Existe sim, mas quando estou contigo

Volta pra mim, perdoa sim que a lua quer brincar

Na varanda, no jardim

Sem ter você aqui, não faz sentido não

Pra que meu tamborim, me diz pra que meu violão

Volta pra me fazer sorrir

Que eu faço a mágoa se acabar

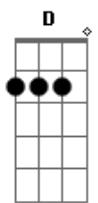

Na doce brisa da manhã, nas ondas fortes desse mar

Volta pra me fazer feliz

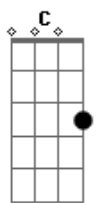

Que eu te prometo reservar cada momento

E mais e mais te amar
