

Mariza - Há Palavras Que Nos Beijam

Tom: C

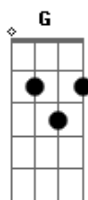

G Dm
 Há palavras que nos beijam
 G Dm
 Como se tivessem boca.
 G Dm
 Palavras de amor, de esperança,
 G Dm
 De imenso amor, de esperança louca.
 Am7 Gm7
 Palavras nuas que beijas
 Am7 Gm7
 Quando a noite perde o rosto;
 Am7 Gm7
 Palavras que se recusam
 Am7 Gm7
 Aos muros do teu desgosto.
 Bm7 Am7
 De repente coloridas
 Bm7 Am7

Entre palavras sem cor,
 G Dm7
 Esperadas inesperadas
 G Dm7
 Como a poesia ou o amor.
 G Bm7
 O nome de quem se ama
 Bb Bm7
 Letra a letra revelado
 Am7 G
 No mármore distraído
 Am7 D7
 No papel abandonado
 Bm7
 Palavras que nos transportam
 Bb Bm7
 Aonde a noite é mais forte,
 Am7 G
 Ao silêncio dos amantes
 Eb D7 G
 Abraçados contra a morte.
