

# Mark Knopfler - Redbud Tree

Tom: Bb

(forma dos acordes no tom de G )  
Capostrate na 3ª casa

Hunted down I came upon  
 A place of ferns and grass  
 Gathered to a redbud tree  
 And now their footsteps pass  
 Where I crouch in dread  
 Discovery my certain death  
 Bur leaves reaching for my head  
 As i suspend my breath  
 Redbud tree, shelter me, shelter me  
 Redbud tree, shelter me, shelter me

Those days of fear are gone  
 Yet i am pledged to her  
 As to my only one  
 My lovely protector

Redbud tree, shelter me, shelter me  
 Redbud tree, shelter me, shelter me  
 Redbud tree, shelter me, shelter me  
 Redbud tree, shelter me, shelter me
