Love with my will

Love just what I can

In times of trial and loneliness

Too dark for finding my ground
C   D   E
And trees shiver and sway

To keep in mind all of your days

Look, I'm all done in
C   D   E
Pray don't send me back again

Before the light was dead and gone

Left here well enough alone

Pray don't send me back again

If I stayed away too long

Many times I lost my way
