I heard you on the phone last night

You know it, oh, we both know it

We got all night to fall in love

But just like that we fall apart

We're broken, we're broken

Mmm, well nothing, nothing,  
Nothing gon' save us now

[Refrão]

Eb  
Well, there's broken silence  
Cm Gm  
By thunder crashing in the dark  
Crash in the dark  
Eb  
And this broken record  
Cm Gm  
Spin endless circles in the bar  
Spin 'round in the bar  
Eb  
This world can hurt you  
Cm Gm  
It cuts you deep and leaves a scar  
Am7 Bb Eb  
Things fall apart, but nothing breaks like a heart

We'll leave each other cold as ice

And high and dry, the desert wind

Is blowin', is blowin'
