tom:  
 C  
 Can't take it with you  
 C Am  
 Pollution everywhere  
 C G  
 Acid rain is falling  
 C D  
 Soon you'll have no hair  
 C G  
 Everybody's whining  
 Em C  
 Nothing's getting done  
 G  
 Ozone layer's dying  
 C Gb G Gb G  
 Cancer from the sun

C G  
 Can't take it with you  
 C Am  
 Have your fun today  
 C G  
 Life ain't what you make it  
 C D  
 Don't believe a word they say  
 C G  
 The world is getting smaller  
 Em C  
 People everywhere  
 G  
 Everything's been taken  
 C Gb G Gb G  
 No one really cares

Em B  
 Then I say it's another day  
 A  
 Things will change rearrange  
 Em B  
 Then I find it's the same old way  
 A  
 Dog eat dog same old way

C G  
 Can't take it with you  
 C Am  
 You find out who you are  
 C G

I can't leave behind it  
 C D  
 No road to buy a car  
 C G  
 Cause you're only talking  
 Em C  
 Killing everywhere  
 G  
 No one has the answers  
 C Gb G Gb G  
 Life can't be unfair

[Solo]
