

Marlon Borges - Somente Flores

Tom: G

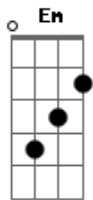

Somente flores ^G foi o nosso amor ^{Em}
 Somente flores sem amargor ^G ^{Em}
 A noite quente, muito luar ^C ^{Bm}
 Nós dois contentes a nos amar ^C ^{Bm}
 A brisa amena vinda do mar ^{Am} ^{Bm}
 Era o tema para sonhar ^{Am} ^{Bm}
 Mas de repente o sol surgiu ^C ^{Bm}
 E cada qual de nós partiu ^{Am} ^{D7}

^G
 Hoje amor onde estás
 Talvez tu mesma não lembra mais
 Daquele beijo embriagador ^C
 De nossas juras todas de amor ^{Bm}
 Volta amor vem recordar ^C ^{Bm}
 A lua está lá sobre o mar ^C ^{Bm}
 A brisa amena volta a soprar ^{Am} ^{Bm}
 Volta amor vamos amar ^C ^{D7}
