

# Marlon Borges - Sorri

Tom: E

Sorri quando a dor te torturar  
 E a saudade atormentar  
 Os teus dias tristonhos vazios

Sorri quando tudo terminar  
 Quando nada mais restar

Do teu sonho encantador

Sorri quando o sol perder a luz  
 E sentires uma cruz  
 Nos teus ombros cansados doridos

Sorri vai mentindo a tua dor  
 E ao notar que tu sorris  
 Todo mundo irá supor que és feliz
