Pretty bird
 You just crossed my way
 And I know it's 'cause you're flying away
 But I kinda really want you to stay

Pretty bird
 You had no time to see me
 You were finally leaving the nest
 I just wish I'd met you before the best

That I know is yet to come
 Just tell me once you're done

I saw you briefly
 And I said 'Hey'
 But it was too late 'cause
 You were flying to L.A
