[Primeira Parte]

**D7M** **E** **Gbm**  
Waiting for your message to arrive  
**E** **D7M**  
For some kind of sign that you're thinking of me  
**E** **Gbm**  
I'm waiting but I'm clearly on my own

[Segunda Parte]

**D7M** **E** **Gbm**  
Wishing I could take you off my mind  
**E** **D7M**  
Just go back in time, now I'm falling behind  
**E** **Gbm**  
I'm wishing but I'm clearly on my own

[Refrão]

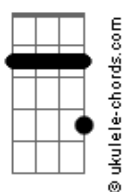

**Bm7**  
Then you say the things you know I wanna hear  
**E**  
The things that will keep me near  
**Gbm**  
You go from 100 to one in a day  
**E**  
From a perfect kiss to miles away  
**Bm7** **E** **D7M**  
Don't know what to do, just wanna forget you  
**E** **Gbm** **Bm7** **D7M**  
Yeah, just wanna forget you

[Terceira Parte]

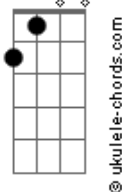

**D7M** **E** **Gbm**  
Thinking of how you can't show how you feel  
**E**  
Making me question if anything is real  
**D7M** **E** **Gbm** **Bm7** **E**  
Are you just lazy? Memory's hazy? I'm going crazy  
**Gbm**  
Is it just a game to you?
