When did the rain become a storm?
When did the clouds begin to form?
Yeah we got knocked out of course by a natural force

And well, we'll be swimming when it's gone

When I first met you, so in love that night
And now i'm kissing your tears goodnight

Beautiful goodbye, bye, bye
It's dripping from your eyes,
Your beautiful goodbye,
It's dripping from your eyes, oh yeah

Bridge:

D Em
All the pain you try to hide
C G
Shows through your mascara lines,
D Em C
As they stream down from your eyes
D Em
And let them go, let them fly
C G
Holding back won't turn back time
D Em C
Believe me, i've tried

Refrão:

Your eyes were so bright
And I remember your eyes were so bright
And I remember your eyes were so bright
When I first met you, how in love were we that night
And now i'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye, bye, bye
It's dripping from your eyes,
Your beautiful goodbye,
It's dripping from your eyes, yeah
