(com acordes na forma de C )

Capostrate na 1ª casa

F Am G Em  
I just want the best for you

F  
Yeah another night out

Am  
I get drunk, I get high

Then you call and I lie

G  
And say I'm on my way now

Em  
Yeah, I say I'm on my way now

F  
Show up when it's light out

Am  
When you're dressing for work

And I'm mumbling words

G  
I don't know what to say now

Em  
No, I don't know what to say now

F Am  
You tell me I don't care, tell me I never try

G Em  
I said I'm sorry maybe a million times

F Am  
It's gonna hurt ya if I don't say goodbye

G Em  
You don't believe me, you don't believe me

F  
I just want the best for you

Am  
I just want the best for you

G  
But I'm just not the best for you

Em  
You don't want what I'm gonna put ya through

F  
I just want the best for you

Am  
I just want the best for you

G  
But I'm just not the best for you

Em  
You don't want what I'm gonna put ya through

F  
Oh oh no, baby

Am  
Oh oh no, baby

G  
Oh oh, baby

Em  
You don't want what I'm gonna put ya through

F  
Parties with shots and powder

Am  
But you'd rather sleep eight hours

G  
And I know you got your doubts

Em  
'Cause I can't turn this life around, baby

F  
Thought it was just a phase

Am  
'Til I woke up a thousand days later

G Em  
Realizing I'm the same as I was before I saw your face

F Am  
You tell me I don't care, tell me I never try

G Em  
I said I'm sorry maybe a million times
