Dbm7

You are relentless, I am defenseless

Why did you knock me down tonight?

Dbm7

You keep me senseless, I just don't get this

How many times do I have to try?

Dbm7

Your whisper, so clear, the world disappeared

Cause I'll fall into the darkness, it's impossible to express

How good it feels, I'm wrapped up, I'm sealed

So entitled, I'll never be free

Oh, I don't fight the feeling

(refrão)

Dbm7

Get back in my life, come knock on my door

What I looking for? I think you should know

You started a fight, put me to the floor

Please don't resist anymore

I'll never leave you alone

(Dbm7 Gbm7 Dbm7)

Dbm7

Beauty from many, you're so demanding

But I've got time, I don't mind at all

Dbm7

You're picture perfect, completely worthy

You got my back against my wall

Your whisper, so clear, the world disappeared

Cause I fall into the darkness, impossible to express

How good it feels, I'm wrapped up, I'm sealed

So entitled, I'll never be free (yeah)

Oh, I don't fight the feeling

(refrão)

Get back in my life, come knock on my door

What I looking for? I think you should know

You started a fight, put me to the floor

Please don't resist anymore

I'll never leave you alone

(Dbm7)

And can you hear me calling?

I'm screaming, scratching, crawling

You ignore me cause I'm always

Coming back to you, coming back to you

And you know how much I miss it

And you know I can't resist it

See your lips and just come running

Running back to you, running back to you

(refrão)

Get back in my life, come knock on my door

What I looking for? I think you should know

You started a fight, put me to the floor

Please don't resist anymore

I'll never leave you alone
