

Maroon 5 - Harder To Breathe

Tom: E

1Riff

How dare you say that my behavior is unacceptable
 So condescending unnecessarily critical
 I have the tendency of getting very physical
 So watch your step cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even here
 This Double Vision I was seeing is finally clear
 You want to stay but you know very well I want you gone
 Not fit to funk'n' tread the ground I'm walking on

Refrão

When it gets cold outside and you got nobody to love
 You'll understand what I mean when I say
 There's no way we're gonna give up
 And like a little girl cries in the face
 Of a monster that lives in her dreams
 Is there anyone out there?
 Cause it's getting harder and harder to breathe
 Is there anyone out there?
 Cause it's getting harder and harder to breathe

What you are doing is screwing things up inside my head
 You should know better you never listened to a word I said
 Clutching your pillow and writhing in a naked sweat
 Hoping somebody someday, will do you like I did?

Refrão

When it gets cold outside and you got nobody to love
 You'll understand what I mean when I say
 There's no way we're gonna give up
 And like a little girl cries in the face
 Of a monster that lives in her dreams
 Is there anyone out there?
 Cause it's getting harder and harder to breathe
 Is there anyone out there?
 Cause it's getting harder and harder to breathe

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
 Nessa parte eu improviso então faz o refrão que fica bom.
 !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Does it kill?
 Does it burn?
 Is it painful to learn?
 That it's me that has all the control

Does it thrill?
 Does it sting?
 When you feel what I bring
 And you wish that you had me to hold

When it gets cold outside and you got nobody to love
 You'll understand what I mean when I say
 There's no way we're gonna give up
 And like a little girl cries in the face
 Of a monster that lives in her dreams
 Is there anyone out there?
 Cause it's getting harder and harder to breathe
 Is there anyone out there?
 Cause it's getting harder and harder to breathe
 Is there anyone out there?
 Cause it's getting harder and harder to breathe
