Tom: Gb

intro: | Db | B | Gb | Gb |

Db B
Woke up sweating from a dream
Gb
With a different kind of feeling
Db B
All day long my heart was beating
Gb
Searching for the meaning

Dbm
Hazel eyes,
B
I was so color blind
Gb
We were just wasting time
Dbm
For my whole life
B
We never crossed the line
Gb
Only friends in my mind
Gb
But now I realize,

Dbm
It was always you
B Gb
Can't believe I could not see it all this time, all this time
Dbm
It was always you
B Gb
Now I know why my heart wasn't satisfied, satisfied
Dbm B Gb
It was always you, you
Dbm
No more guessing who
B Gb
Looking back now I know it was always you, always you

Db B
All my hidden desires
Gb
Finally came alive
Db B
No, I never told lies
Gb
To you so why would I

Start tonight
