

Maroon 5 - Payphone

Tom: B

E B
I'm at a payphone trying to call home
Abm Gb
All of my change i've spent on you
E
Where have the times gone,
B
Baby it's all wrong
Abm F
Where are the plans we made for two
E B
Yeah, I, I know it's hard to remember
Abm
The people we used to be
Gb
It's even harder to picture
E
That you're not here next to me
B
You said it's too late to make it
Abm
But is it too late to try?
Gb
And in our time that you wasted
E
All of our bridges burned down

B
I've wasted my nights
Abm
You turned out the lights
Gb
Now i'm paralyzed
E B
Still stuck in that time when we called it love
Abm Gb
But even the sun sets in paradise

E B
I'm at a payphone trying to call home
Abm Gb
All of my change i've spent on you
E
Where have the times gone,
B
Baby it's all wrong
Abm Gb
Where are the plans we made for two

E B
If happy ever after did exist
Abm Gb
I would still be holding you like this
E B
And all those fairy tales are full of sht
Abm Gb
One more fcking love song i'll be sick

E B
Oh, You turned your back on tomorrow
Abm
'Cause you forgot yesterday
Gb
I gave you my love to borrow
E
But just gave it away
B
You can't expect me to be fine
Abm
I don't expect you to care
Gb
I know I've said it before
E
But all of our bridges burned down

E B
I've wasted my nights
Abm
You turned out the lights
Gb
Now i'm paralyzed
E B
Still stuck in that time when we called it love

E B Abm Gb
Man fck that sht
I'll be out spending all this money while you sitting round
Wondering why wasn't you who came out from nothing
Made it from the botton
Now when you see me i'm stunning
And all of my cars star with a push of a button
Telling me the chances I blew up or whatever you call it
Switch the number to my phone
So you never could call it
Don't need my name on my show
You can tell it i'm ballin'
Shish, what a shame could have got picked
Had a really good game but you missed your last shot
So you talk about who you see at the top
Or what you could have saw
But sad to say it's over for
Phantom pulled up valet open doors
Wiz like go away, got what you was looking for
Now it's me who they want
So you can go and take that little piece of sh-t with you

E B
