

Maroon 5 - Stutter

Tom: E

(E Dbm E Dbm)

I really, I really
 Whoa oh, I really need to know
 (I really, I really)
 Whoa oh, or else you gotta let me go
 (I really, I really)

(verso 1)

This time I really need to do things right
 Shivers that you give me, keep me freezing all night
 You make me, shudder oooh yeah

I can't believe it I'm not myself
 Certainly I'm thinking about no one else
 You make me, shut up

I really, I really need to know
 Or else you gotta let me go

Oooh

You're just a fantasy, girl

It's an impossible world

All I want is to be with you always

Dbm

I need you every day pay some attention to me

All I want is just you and me always

Give me affection I need your protection

Cause it feels so good you make me

s-stutter, stutter

(verso 2)

If I could touch you I'd never let go
 Now you got me screaming
 And I cannot, shut up, oh, shut up, yeah

Now I am lying on a bedroom floor(1stchords.com)
 Barely even speaking and I cannot, get up

And I really, I really, I really need to know
 Or else you gotta let me go
 Oooh

(colsd)

You knock me down I can't get up

I'm stuck

Gotta stop shaking me up

I can't eat, can't sleep can't think sane

Get under, sinking under

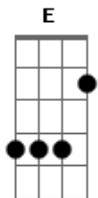

(I really â?" I really)

You make me s-stutter

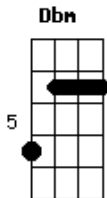

(I really â?" I really)

You make me s-stutter
