Tom: C

Intro: F G C C

F G C  
 Sunday morning rain is falling  
 F G C  
 Steal some covers share some skin  
 F G C  
 Clouds are shrouding us in moments unforgettable

F G C  
 You twist to fit the mold that I am in  
 Ponte:

F G C  
 But things just get so crazy living life gets hard to do

F G C  
 And I would gladly hit the road get up and go if I knew

F G C  
 That some day it would lead me back to you  
 That some day it would lead me back to you

Refrão:

F G C F G C  
 That may be all I need In darkness she is all I see

F G C  
 Come and rest your bones with me

F G C  
 Driving slow on Sunday Morning and I never want to leave

F G C F G C  
 Fingers trace your every outline Paint a picture with my hands

F G C  
 Back and forth we sway like branches in a storm

F G C  
 Change of weather, still together when it ends
