

Maroon 5 - Through With You

Tom: **Db**

Tuning: Standard Tuned Down $\frac{1}{2}$ step (Eb,Ab,Db,Gb,Bb,eb)

W/ wah-wah

The main riff is also played like this:

Verse:

Can you see me... As you lay in bed thinking about everything

That you did not do... has nothing to do with meaning it

Then it goes into the main riff again...then into the next verse

Chorus

Bm You ain't never coming back to me, **D** that's not how things

were supposed to be

You take my hand just to give it back, no other lover has ever done that

In the end of the second chorus it goes like this...

I called to let you know I'm through with you

That's just about it...the interlude though goes like this

- | / slide up
- | \ slide down
